

EFFECTIVE

October 1, 2021.

Subject(s)**JJM 230, Juvenile Justice Service Plans.**

- The DHS-738a, Reentry Planning Tool, an optional tool to assist the juvenile justice specialist in obtaining the information necessary to complete and generate the DHS-738, Reentry Plan, was added to policy to assist field staff with completing the DHS-738.
- The following Qualified Residential Treatment Program (QRTP) requirements were added:
 - Definition of QRTP.
 - The JJS must document within the applicable case service plan *addendum* the court's approval/disapproval of a youth's placement in a QRTP setting which occurs at each dispositional review hearing.
- Verification of citizenship or immigration status as well as requirements for notifying the appropriate consulate are now found within [FOM 722-06K, Services for Families Who Are Not U.S. Citizens](#).
- Guardian Ad Litem, when applicable, added to persons who can receive approved copies of youth's case service plan which included the Guardian Ad Litem.

Reason: Family First Prevention Services Act (FFPSA) requirements and program office recommendation.
